Standard Equipment

1. DualMode vehicle with automation technology
 - Natural Feature navigation
 - Safety lasers
2. Crown maintenance-free 3-phase (AC) traction and steering motors
3. e-Gen® Braking System offers regenerative and frictionless electric braking (Mechanical braking applies only as parking brake)
4. Electronic steering with the center mounted X10® Handle for precise and effortless control
5. Intelligent Steering System slows the travel speed in curves
6. The self-centering X10® Control Handle places all truck functions at the operator's fingertips
7. Crown's Next-Generation Gena® Operating System
8. Integrated InfoLink Ready Hardware
 - Identification (ID) Reader
 - Impact sensor
 - WiFi radio
9. Connectivity
 - Cellular and bluetooth radios
 - Wireless truck software updates
 - Wireless truck data collection
10. 7" color touch screen display
 - Optically bonded 5/64" (2 mm) thick capacitive touch screen
 - Deep drawn steel protective back cover
 - Integrated 5 button keypad
 - 25 available languages
 - Vehicle status icons
 - Customizable dashboard with widgets
 - Stopwatch
 - Battery discharge indicator
 - Hour meter

- Height/weight
 - Clock
 - Odometer
 - Zone select
 - Performance modes
 - Step-by-step calibrations
 - Maintenance mode
 - Enhanced service diagnostics
 - Safety reminders
11. Automated mode travel alarm and lighting alerts
 12. Keyless switch - off/manual/ auto
 13. Ramp hold
 14. Low step height of 5 in (130mm) with a 17 in (440 mm) wide walk-through area
 15. Suspended floorboard with a non-slip anti-fatigue floor mat with integrated presence sensors
 16. Electric power disconnect plug
 17. Hitch Position Control in backrest
 18. Heavy-duty poly drive tire and load wheels
 19. Casters (dia. X w) 3.2 in (82 mm) x 2.4 in (60 mm)
 20. (4) Emergency power disconnect switches
 21. Battery connector SB 175 Gray
 22. Front Work Assist® accessory tube with cable management

Optional Equipment

1. Perimeter red zone lighting
2. Auto charge system
3. Battery roll out for left / right or both sides
4. 12 V power supply for electronic tools
5. Additional automation alarm
6. Key switch - off/manual/auto
7. Supertrac drive tire 9.8 in (250 mm) x 3 in (75 mm)
8. V Force® Lithium-Ion ready

Warning Device Options

Audible or Visual Alerts

Safety considerations and dangers associated with audible travel alarms and lights include:

- Multiple alarms and/or lights can cause confusion.
- Workers ignore the alarms and/or lights after day-in and day-out exposure.
- Operator may transfer the responsibility for "looking out" to the pedestrians.
- Annoys operators and pedestrians.

Other Options Available

Contact factory for additional options.

Dimensions and performance data given may vary due to manufacturing tolerances.

Performance is based on an average size vehicle and is affected by weight, condition of truck, how it is equipped and the conditions of the operating area. Crown products and specifications are subject to change without notice.

You can count on Crown to build lift trucks designed for safe operation, but that's only part of the safety equation. Crown encourages safe operating practices through ongoing operator training, safety-focused supervision, maintenance and a safe working environment. Go to crown.com and view our safety section to learn more.

Because Crown is continually improving its products, specifications are subject to change without notice.

Crown Lift Trucks with Gena Operating Systems are connected products. Please see crown.com for the data use policy to learn more.
