PTH 50

3-Year Supplemental Warranty

Exclusively for model PTH 50 (non-scissor) purchased from April 2, 2018, and as a supplement to the standard PTH warranty, Crown Equipment Corporation ("Crown") warrants to and for the sole benefit of the original purchaser, that the pump assembly, frame, handle, lift linkage, and pushrod weldments are free

from defects in material and workmanship under normal and proper use, operation and maintenance.

This warranty shall remain in effect for a period of 3-years after delivery of the equipment to the original purchaser.

To receive this supplemental coverage, the user must return the unit to an authorized Crown Dealer location and present proof of purchase. If, upon evaluation by the Crown

Dealer, it is determined this supplemental warranty applies, the unit will be replaced with a new model PTH 50 (non-scissor).

Damage or defects resulting from overload, improper use, negligence, or accidents are not within the scope of this warranty. Accessories, options, labor, transportation and freight are not included in this supplemental warranty coverage.
